## IoBM confers 933 degrees on convocation day

Posted on December 12, 2015 by Sidrah Roghay in Latest, National

**KARACHI: Amid the conferment of 933 degrees at IoBM what matters more is endeavoring for such educational worth that heads towards a graduate's personal, family, social, institutional and national excellence, said a statement from IoBM Public Affairs Section on Saturday.**

Former acting president and chairman senate of Pakistan, Muhammad Mian Soomro, Chief Guest at IoBM Convocation, highlighted the importance of helping less privileged through philanthropic work and motivated graduates by saying: "You are the future of Pakistan and that Pakistan is your future". He advised them to work harder and that keep good company.

In his keynote address, Chief Executive Pakistan Cables Kamal A Chinoy shared points of wisdom with graduates: "Do not underestimate any situation and be prepared for eventualities in life. Apply acquired knowledge and know-how in strategic management on yourself before implementing it in corporate life. Dream big, aim high and keep your feet on ground. Patience is virtue but perseverance is an art. Do not forget to pay your dues by committing to civic service and to humanity."

IoBM Chancellor Najmuddin A Shaikh attributed IoBM as a trademark in the corporate sector and for its reputation at the international level along the constantly rejuvenating campus with its illustrious faculty, meticulous management and gifted students blossoming in an atmosphere of cheers, quality education and state-of-the-art facilities. Asfia Aziz, the Valedictorian, while attributing parents, faculty and management indeed, summarized education at IoBM as blossoming mindsets in human values, CSR, global perspective and acclimatization with technological transformation.

IoBM President Shahjehan Karim, while welcoming guests and presenting report on IoBM's academic and professional highlights home and abroad advised graduates: "You stand today at an important juncture. Have confidence in yourself, being the fortunate few; please always remain respectful to your parents for giving their very best for your brilliant career ahead."
