Potential: CPEC to meet needs of people

KARACHI:

Chinese Commercial Counsellor in Karachi Zang Zhihua has said that the China-Pakistan Economic Corridor (CPEC) is intertwined with the economic development of Pakistan.

"The CPEC framework is designed to meet the needs of the economic development of Pakistan. The projects under CPEC will create jobs and make Pakistan the heart of regional trade and connectivity," Zhihua said while speaking at a seminar on CPEC at the Institute of Business Management (IoBM) on Tuesday.
